

NEZINSCOT FARM WEAVING & FIBER ARTS WEEKEND

November 10th - 12th 2018

Join us for our annual weekend of fiber- filled fun. Enjoy the company of fellow fiber enthusiasts in the picturesque town of Turner, ME.

You will learn the art of weaving from start to finish; leaving with a piece that you have created.

There will also be time to try your hands at other fiber related arts such as spinning, dyeing, wet and needle felting, crocheting and knitting.

Participants can also take a hike around the farm grounds, along the river, or just relax on the expansive front porch, overlooking the river and rolling pastures.

This class will be geared toward both beginners and intermediate weavers. Beginners will learn the art of weaving from start to finish, while intermediate weavers may want to improve on existing skills, learn a new pattern or better understand reading a weaving pattern.
